POLICY FOR THE PROTECTION OF CHILDREN AND OTHER VULNERABLE PERSONS

This policy has been adopted by Trowbridge Symphony Orchestra to ensure the proper protection and safeguarding of children and vulnerable adults. For this Policy a child is defined as a person under the age of 18 years.

The purpose of this policy is to raise awareness among the members of the Orchestra about appropriate ways to act and behave in relation to children and other vulnerable persons within the Orchestra, and to avoid situations which may be misinterpreted or misunderstood - that could in turn lead to a complaint or allegation.

EXAMPLES OF SITUATIONS WHICH SHOULD BE AVOIDED

1. Unnecessary physical contact with the person.
2. Using offensive language such as swearing and sarcasm.
3. Ridicule.
4. Giving a child a lift unaccompanied (unless the parents have given permission).
5. Being alone with a child or vulnerable person.
6. Leaving a child or vulnerable person unsupervised in a rehearsal venue.
7. Conduct which could lead any reasonable person to question motivation and intentions.
8. Seeking to establish an inappropriate relationship or friendship with a child or vulnerable person outside the Orchestra.

USE OF PHOTOGRAPHY AND RECORDED IMAGES

Images of children can only be used for publicity purposes with the age-appropriate consent of the individual concerned and their legal guardians. This includes displays on websites, on social media, in publications or in a public place. Permission must be sought if any images are to be retained, and images must be stored securely and only released to and used by authorised persons. Files holding images must be protected from access via the internet.

If a photograph including a child is used, the child must not be named.
